Photo Release Waiver

*Please only sign below if you know that **all** of your students are allowed to be photographed. This “all or nothing” policy makes it easier for us to know if students from your class can be photographed for promotional purposes. There is also an additional line stating that we are allowed to acknowledge which school is being photographed. We will **not** publish the child’s name without direct permission from their parent/guardian.*

I hereby grant the Flint RiverQuarium and/or Thronateeska Heritage Center personnel permission to use my likeness in a photograph, video or other digital media (“photo”) in any and all of its publications, including web-based publications, without payment or consideration.

I understand and agree that all photos will become property of the Flint RiverQuarium and/or Thronateeska Heritage Center and will not be returned.

In addition, I waive any right to inspect or approve the finished product wherein my likeness appears. I hereby hold harmless, release and forever discharge the Flint RiverQuarium and/or Thronateeska Heritage Center from all claims, demands and causes of action which I, my heirs, representatives, executors, administrators or any other persons acting on my behalf or on behalf of my estate have or may have by reason of this authorization.

I have read and understand the above Photo Release. I affirm that I am at least 18 years of age and that I have obtained the required consent (from parents/guardians) for ALL of those in my group who are under 18 years of age. This is evidenced by my signature below.
