Wings and Wildlife Festival at the Flint RiverQuarium

Come join the Flint RiverQuarium Saturday, October 6, for a celebration of all creatures great and small at the annual Wings and Wildlife Festival from 10 am -3 pm. Held in conjunction with Flint Fest this year, Wings and Wild life is sponsored by MillerCoors

Whether scaly, feathered, slimy, or furry, this event celebrates all of the amazing wild animals that fill this beautiful world. Enjoy the wacky sea creatures of a puppet show and a rolling showcase of exotic and native reptiles with your family. Help save a species by building a birdhouse, get up close and personal with a snake show and high flying birds of prey even learn about the “animals” in outer space! Enjoy good food, guided garden tours at Radium Springs, crafts, games, and more with this great, family-friendly, educational opportunity.

“Whether guests choose to build a birdhouse to take home, participate in a guided garden tour, enjoy an up-close reptile and amphibian show or marvel at the birds of prey demonstration, they are sure to leave with a renewed appreciation for the Flint River and its native wildlife,” said Melissa Martin, event organizer and Flint RiverQuarium Education Manager.

For detailed information please see our web site, www.flinriverquarium.com, or call 229-639-2650.
